Euro Beverage crates : a sleek design to fit 0.5l Euro bottles

High Performance crate

Crate conform the high requirements of the brewery, developed to be stacked 5 layers per pallet.

Environmental friendly

Crates are fully recyclable and made out of HDPE virgin or regrind

Ergonomic designed handles

The well-rounded airmould lamella handles on all 4 sides allow high carrying comfort.

Lightweight crate in durable design

The corners are protected to keep your crate nice, even after long-term usage.

Large branding exposure

Large area to brand and customize the crate with silkscreen printing which enhances the retro style of the beverage crate.

More than one crate

The crate is available in 3 different designs and in a variety of colours. The version with the ribbing creates a more retro style crate.

High visibility of the bottles

The large airmould lamella's enable visibility of the contents.

Euro Beverage Crates

3 variants to welcome 50cl Euro Bottles. Maximized brand awareness thanks to the large label areas.
