**Announcement of Extension of Change of Control Offer**

June 13, 2018 — Schoeller Allibert Group B.V. (the “**Company**”), BCP IV RTP Holdings Limited (“**Brookfield**”) and Schoeller Industries B.V. (“**Schoeller Industries**” and together with Brookfield and the Company, the “**Offerors**”) are hereby exercising their option to extend the expiration time of its previously announced joint and several offer to purchase for cash any and all of the Company’s outstanding 8.000% Senior Secured Notes due 2021 (the “**Notes**”) from holders of the Notes (collectively, “**Holders**”), as further described in the notice of change of control and offer to purchase dated May 16, 2018 (the “**Notice**”) distributed to Holders. The offer to purchase the Notes is referred to herein as the “**Offer.**”

The Offer will now expire at 4:00 p.m., London time, on June 14, 2018 (the “**New Expiration Time**”), unless extended by the Offerors in their sole discretion or earlier terminated in accordance with the Notice. Notes validly tendered by Holders prior to the New Expiration Time will be accepted for payment by the Offerors and, notwithstanding the terms of the Notice, payments relating to the Offer will be made therefore within three business days following the New Expiration Time (such date, the “**Change of Control Payment Date**”) through Clearstream Banking, S.A. (“**Clearstream**”) or Euroclear Bank SA/NV (together with Clearstream, the “**Clearing Systems**”).

Subject to the terms and conditions described in the Notice and pursuant to Section 4.13 of the indenture dated as of October 7, 2016 (the “**Indenture**”), the Offerors are jointly and severally offering to purchase for cash (in accordance with the terms of the Indenture), any and all of the outstanding Notes for a purchase price equal to €1,010 for each €1,000 principal amount of Notes validly tendered by Holders prior to the New Expiration Time pursuant to the Offer (which represents 101% of the aggregate principal amount of the Notes) (the “**Consideration**”). In addition, the Company will pay accrued and unpaid interest and Additional Amounts (as defined in the Indenture), if any, on the Notes validly tendered to the date of purchase, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date (as defined in the Indenture). Any Notes not validly tendered or not accepted for payment pursuant to the Offer shall continue to accrue interest in accordance with the terms of the Indenture. Unless the Offerors default in paying Consideration, and in the case of the Company, accrued and unpaid interest and Additional Amounts, if any, to the date of purchase, Notes accepted for payment pursuant to the Offer shall cease to accrue interest on and after the Change of Control Payment Date. No tenders will be valid if submitted after the New Expiration Time.

Holders who have previously tendered (and have not validly revoked) their Notes, do not need to redeliver such tenders or take any other action in response to this press release in order to receive the Consideration upon the terms and conditions set forth in the Notice.

**The Offer is subject to the terms and conditions set forth in the Notice.** The Offerors reserve the right at any time or from time to time, subject to applicable law, to (i) extend the Offer and retain the Notes that have been tendered during the period for which the Offer is extended; (ii) amend the terms of the Offer in any respect; and/or (iii) terminate the Offer and authorize the unblocking of the Notes in the relevant accounts maintained at the Clearing Systems. Any determination by the Offerors concerning any of the foregoing events will be final and binding upon all Holders.
